

Hello KSCA Coaches and Tournament Directors,

First of all, thanks to all of you for your efforts in supporting our chessplayers this season! As you may know, the KSCA is in need of more tournament directors for both floor management and pairings. To this end, we have organized a free seminar for anyone interested in directing KSCA events. The seminar will be held during the KSCA State Blitz Championship, on Friday, March 9th, starting at 7:00 PM. The seminar will be held in Rm 1420 of the LEEP2 Building, 1430 W. 15th St., Lawrence KS, just down the hall from the blitz tournament. Karen Camarda will be explaining how to use the WinTD software to handle pairings, and how to build tournament files using the KSCA database. This seminar would be helpful for any current tournament directors, or anyone interested in becoming a KSCA tournament director. No preregistration is required, and we hope you can attend!

Please let me know if you have any questions or concerns, either about the seminar, the KSCA Blitz Championship, or the KSCA State Championship. Thanks again for supporting scholastic chess in Kansas!

Kyle
